Allison's Dance Academy (ADA) is open to the public and partners with its sister school, Monell Dance Interstate, LLC (MDI). Ms. Allison and Mrs. Molly offer a **Dual Program** in which certain classes crossover allowing students to enroll in both schools of dance. It is through the collaboration of these two programs that a bridging of dance studies has been created to provide young individuals the opportunities to choose their road of study. Students enrolled in the Dual program receive a discount on their monthly tuition program.
